Dear Sirs,

We have recently taken over the manufacture and marketing of the Romahome accommodation unit which is specifically designed for the Honda Acty pickup truck.

We have pleasure enclosing a brochure for your files.

The price is £1735 plus VAT and we can allow 15% discount to all Honda Dealers.

Shortly we will be introducing a removeable G.R.P. Van unit, also to fit the Honda Acty pickup.

If you require any further information on either the Romahome or Van unit please do not hesitate to contact us.

Yours Faithfully,
for ISLAND PLASTICS
